CEN/TC	Title: 264/WG 2 Odours	

PRELIMINARY AGENDA OF THE FIRST MEETING OF CEN/TC 264/WG 2 "ODOURS"

To be held on December 2nd and 3rd 1991, in Amsterdam, The Netherlands

1. Opening of the meeting
by the convenor, Mr. van Harreveld
2. Introduction of the working group members
3. Setting of the final agenda for the meeting
4. Organisation of the work of the working group (and other practical matters such as the formation of an editing committee)
5. Inventory of relevant national standards and related documents with the objective to list the existing material that can serve as a starting point for drafting a European standard
6. Inventory of methods for odour measurement and sampling with the objective to obtain an overview of the current practice in the participating countries
7. Discussion on the detailed areas that are to be covered by the working group
The scope of the task set to the working group needs to be defined more specifically, to either include or exclude subjects like:
 - * Sampling techniques for odourous samples
 - * Field observation techniques
 - * Indirect methods involving presentations well above threshold

*

8. Discussion of definitions in which the items for which definitions are needed must be listed, existing definitions reviewed and a preliminary discussion on draft definitions
9. Discussion on the characteristics and merits of existing methods
10. How to proceed, including assessment of the feasibility of the time schedule
11. Date and place for the second meeting
12. Miscellaneous.
